

Trim Masking Tape

Description:

Fol52 is a washi paper masking tape, with high adhesive properties, especially designed to perform well in most of industrial painting applications, more particularly automotive masking applications. Fol52 is a high temperature tape where excellent holding and high temperature performance are required.

Application:

- Use with solvent and water based paints
- Suitable to use for most painting and drying applications
- Suitable for both industrial and automotive applications
- Good adhesion on all kind of substrates
- Clean and residue free removal up to 6 months
- Excellent for outside applications and rough surfaces

Recommendations for Use:

Temperature between 15°C/60°F and 30°C/86°F. Surface must be clean and free from dust and grease. Avoid touching exposed adhesive surface of the tape, as this impairs the performance. Pressure sensitive adhesive must be applied with maximum pressure in order to achieve maximum adhesion level. The maximum level of performance will be reached after a bonding period of 24 hours at 23°C/74°F.

Storage and Shelf Life:

Store in a clean, dry and well ventilated area between 10°C/50°F and 30°C/86°F. Stored under these conditions shelf life will be a minimum of 2 years.

Specifications	
Adhesive	Acrylic
Carrier	Washi paper
Color	Light blue
Total thickness	0.114 mm/114 µm (Micron) 4.48mil
Adhesive strength	5.9 N/25 mm
Tensile strength	114,9 N/25 mm
Elongation	9.3%
Temp resistance	up to +120°C/248°F (60 min)
Solvent resistance	Good
Moisture resistance	Good
UV resistance	3-6 months
Part # FOL52	50mm x 10m (10mm plastic strip)

The above information is given in good faith, but the user should assure himself that the performance of the product is sufficient for his application. The quoted values are average and should not be taken as maximum or minimum values for specific purposes. Chemicar USA cannot be held responsible for product failure unless full testing has been carried out. The client has to decide on the tapes suitability for their own applications.
